Authorization for Care, Insurance Assignment & Fees Please read and sign

I understand and agree that health and accident insurance policies are an arrangement between my insurance carrier and me. I understand that Dr. David N. Block will prepare any necessary documents to assist me in making collection from the insurance company and that any amount authorized to be paid directly to Dr. David N. Block will be credited to my account on receipt (insurance assignment of benefits). However, I clearly understand and agree that all services rendered me are charged directly to me and that I am personally responsible for payment as well as collection manager/attorney's fees of 33.3% and any and all related costs of collection, including filing fees, should such action become necessary. Interest rate on unpaid balances is the greater of 1.65% per month or $5.00 per month and begins from the time an account has been considered delinquent. I also understand that if I suspend or terminate care, any fees for professional services rendered me will be immediately due and payable. I also authorize the doctor to bill any unpaid balance to my credit card if it was used previously in the office to pay for services rendered, to obtain a credit report if deemed necessary and verify my employment should that information be needed in the collection of unpaid balances.

I hereby authorize the doctor to provide for me manual adjustments to my spine and therapy. The patient also agrees that he/she is responsible for all bills incurred at this office including interest on unpaid balances. The doctor will not be held responsible for any pre-existing medically diagnosed conditions, nor for any medical diagnoses.
